PUBLIC NOTICE.

The J&K Pharmacy Council adopted a Online Portal for Registration of eligible candidate as Pharmacist on the basis of eligibility acquired by applicants under the provisions of the Pharmacy Act, 1948. The portal was launched by our Worthy Financial Commissioner, Health & Medical Education, J&K, Sh. Atal Dulloo, (IAS) on 16.12.2020. The sole objective of offering Online services to the intending applicants was to reduce physical interface as also offer services to the applicants at their doorsteps.

However, it has been observed that the most of the applicants are uploading wrong/incorrect information. The supportive documentary records need to be referred to carefully to ensure that the end document is generated strictly as per record. Since, the Council has constraints of human resource, difficulties are being faced to dispose of wrongly uploaded applications as the same require repeated evaluation for clearance. In order to avoid chance of wrongly uploaded applications, the Council as an abundant precaution has provided instruction manual on its Website, i.e www.jkpc.in which supports the end-users for uploading of information and evidence correctly.

Further, it has also been observed that applicants who do not hold the relevant qualification mandated under the Pharmacy Act, 1948, i.e (**Diploma in Pharmacy/Bachelor's in Pharmacy/ Pharm. D course**) are applying for fresh registration. Such applicants are advised not to apply as the same can result in wasteful expense incurred by them in the shape of applicable fee deposited by them through online payment mode which is non-refundable.
